

# FILTER FRAME GRILLES

The all-new Price Industries filter frame (FF) offers a hinged access to an integral filter rack on many of the most popular return grilles Price Industries offers.

- + 80FF aluminum egg crate grille
- + 10FF steel perforated grille
- + 10AFF aluminum perforated grille
- + 530FF and 535FF steel louvered-face grilles
- + 630FF and 635FF aluminum louvered-face grilles

The new FF series frame design allows the same frame to be installed in either T-bar or surface mount applications, regardless of how it was ordered.

## DESIGN FEATURES

*Zero-clearance hinge that eliminates the need for notching installation surface*

*Toolless removable face to simplify access to duct and filter removal*

*Toolless hinge locking mechanism to ensure face remains locked in place*
